Hawk Estates are a local and family run Block Property Management company for residential and commercial units in Bournemouth. We currently manager blocks with Christchurch, Bournemouth and Poole including the suburbs of Highcliffe and Broadstone. The blocks we manage are a diverse range of blocks that range from property conversions to purpose built blocks of flats with units ranging from 4 to over 50 units. More information can be found on our website

www.hawkestates.co.uk. Our promise is to always ensure that we approachable and to deliver a professional and personal service at a competitive cost in this ever-changing and growing industry. We always look to provide a professional and personal service and working closely with owners and contractors enables us to do that. We understand that each block is different and when quoting for our management service we ensure that the services are bespoke and tailored to the block and the fees will then match the services required.
